I am a passionate UI/UX designer with a keen eye for detail and a user-first approach. I specialize in creating clean, functional, and aesthetically pleasing interfaces that enhance user satisfaction. With expertise in wireframing, prototyping, and user research, I transform ideas into seamless digital experiences.

EXPERIENCE

S TECHNOLOGIES, Kakkanad, Kochi   **January 2025- Present**
UI/UX Designer & Developer

Currently working as a UI/UX Designer and Developer, where I design intuitive interfaces and develop functional, user-centered web and mobile applications. My role involves

- **UI/UX Designing**: Creating wireframes, prototypes, and high-fidelity designs using tools like Figma and Adobe XD.
- **Front-End Development**: Building responsive, interactive user interfaces using HTML, CSS, and JavaScript.
- **Collaboration**: Working closely with teams to align designs with project goals and ensure seamless user experiences.
